

# Geography Flight Path - Year 3 - Living Together

Subject: Geography	Unit: Living Together	Year: 3	Term: 5	Key Vocabulary (max. 10) <i>*indicates etymological link</i>	
<b>Big Question:</b> What are the physical and human features that make up our town?				<b>Human feature</b> – <i>something made by humans.</i> <b>Physical feature</b> – <i>something that is naturally there.</i> <b>Grid reference</b> – a <i>group of numbers that help to locate where a place is on the map.</i> <b>Location</b> – where <i>something is in relation to places around it.</i>	<b>Key</b> – <i>an explanation of symbols on a map.</i>
<b>National Curriculum objectives covered:</b> Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied.  Use the eight points of a compass, four and six-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world.  Use fieldwork to observe, measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies.					
<b>Key knowledge:</b> Grid references help a map user to find a specific location. A map is a symbolic representation of certain characteristics of a place. A physical feature is a something that is naturally there. A human feature is something built by humans. Fieldwork is a practical investigation into a local area.				<b>Concepts:</b>  Settlements Environment	
<u>Key Locations of Study</u> <b>UK &amp; British Isles:</b> Royal Wootton Bassett				<b>Worldwide:</b>	

## Geography Flight Path - Year 3

Lesson 1	Lesson 2	Lesson 3	Lesson 4	Lesson 5	Lesson 6
LQ: How can we use grid references to find geographical features?	LQ: What are the physical and human features of Royal Wootton Bassett?	LQ: What makes a good fieldwork investigation?	LQ: How can data that I have collected be recorded?	LQ: How can I represent the features of Royal Wootton Bassett on a map?	LQ: What are the physical and human features that make up our town?
I know that:					
<p>A map uses symbols and a key to represent features.</p> <p>Grid references help people to find specific human and physical features.</p> <p>There are different types of maps.</p>	<p>A physical feature is a something that is naturally there.</p> <p>A human feature is something built by humans.</p>	Fieldwork is an investigation into a local area.	Data can be recorded in graphs and tables.	<p>A map represents a birds eye view of an area.</p> <p>Maps can show different things.</p> <p>A map uses symbols and keys to represent features.</p>	Royal Wootton Bassett has several human and physical features
I Can:					
Locate features of Royal Wootton Bassett using grid references.	Describe the physical and human features of Royal Wootton Bassett.	Plan a fieldwork investigation to observe, measure and record the human and physical features in the local area.	Create a graph to represent data that I have collected.	Create a sketch map of a journey in the local area.	Explain the human and physical features of Royal Wootton Bassett and their impact on our town.
