

Hand in hand we learn, we grow, we soar.

Y6 Residential
Tuesday 19th May - 22nd May 2026

Why attend a school residential?

A rite of passage!
Develop independence
Improve confidence and self-esteem
Strengthen and build relationships
Motivational opportunity
Make lifelong memories

Completing water activities - especially coasteering - really boosted my confidence. I made some new friends and strengthened others.

Lucy Allen (Year 6)

I am no longer frightened of camping, and in fact actually like it. We walked to Corfe Castle which was fun as we got to explore somewhere new.

Finley Heaps (Year 6)

ABOUT LAND & WAVE

LAND & WAVE HISTORY

We love getting people outdoors; working really hard to make adventure accessible for everyone.

We've been delivering world class adventures to schools for over thirteen years now and we're really excited that your child will be spending time with us.

We work with almost 100 different schools from across the UK and deliver exciting adventure experiences for 6500 children annually.

We promise we'll look after them like they're our own. With us, they'll be making new friends, learning new skills, developing their confidence and character everyday.

They'll return full of such great stories; you'll wish you could have come to.

We are Land & Wave and this is going to be the very best school trip.

Team leader for every school trip!

“One stand out figure was our team leader Maddie who worked closely with our school throughout residential. She quickly built meaningful connections with both children and staff - even securing us extra curry sauce on fish and chip night! Always going above and beyond. Her leadership ensured a smooth running, enriching programme which the children relished in.” Mrs TT

- Working alongside schools for the past 13 years
- Work with over 6500 children annually
- Opportunity to learn new skills
- Creating memories and great stories to tell

13:00 - Afternoon Activities

17:00 - Dinner

19:00 - Night Activities

Thursday:

08:00 - Breakfast

09:00 - Beach Day

17:00 - Dinner by the sea

19:00 - Night Activities

Friday:

08:00 - Breakfast

09:00 - Morning Activities

12:00 - Packed Lunch for the journey home

13:00 - Depart Land and Wave

Arrive back at school for the end of the day

COASTEERING

One of the headline activities for the week. Coasteering is all about jumping into and playing in the sea, scrambling on the limestone ledges and exploring the Jurassic Coast.

Coasteering really helps develop resilience, confidence, self reliance, risk awareness and teamwork.

PADDLE BOARDING

Using a mixture of individual and jumbo 17ft paddle boards in Swanage Bay or Sandbanks, this great activity helps the students develop their personal and team building skills further.

It's all about balance, power and team work..

SEA KAYAKING

Students will buddy up in double kayaks and be paddling around tranquil Swanage Bay or Sandbanks Harbour.

Fun and games aplenty, as students develop teamwork and cooperation skills.

BUSHCRAFT SURVIVAL SKILLS

Getting out in the woods near Corfe Castle, the students will be learning all about fire lighting, campfire cooking (toasted marshmallows included), archery and how to build a waterproof den to protect them from the elements.

It's a great day filled with outdoor adventures, learning new skills and building confidence.

DAILY ADVENTURES

Date	Time	Activity
Tuesday 20th May		Afternoon
1	13:00 - 17:00	Coasteering
2	13:00 - 16:00	Coasteering

THE CAMPSITE & FOOD

THE CAMPSITE

- Private camping field only used by Land & Wave groups
- Dedicated teacher tents at regular intervals
- Teachers will allocate spaces
- Dedicated toilet and shower block
- Night Manager who sleeps on site
- Plenty of open space

THE TENTS

- 5 metre Bell Tents
- Maximum of 6 pupils per tent
- Single sex tents
- Camping mats provided

FOOD

- Provided by local business 'Dorset Catering'
- Cant guarantee nut free
- Hot breakfast and dinners provided
- Packed lunches supplied (sandwich, crisps, fruit, cake and a flapjack)
- For Dietary requirement an alternative meal will be provided for medical reasons only. Please provide your child's FULL dietary details to your trip organiser
- Bring a packed lunch for day 1

HOMESICKNESS

- Full days of activities to keep the kids busy
- Instructors are sensitive to children's needs
- Talk to your trip organiser about your school's specific policy

School staff will choose the tents prior to the trip although children will have the opportunity to express wishes and concerns. We will be discussing this with children over the next coming days.

Any allergies have been communicated with Land and Wave.

School staff tents are dispersed between the children's tents.

Social media updates.

Breakfast

	Monday	Tuesday	Wednesday	Thursday	Friday
Breakfast Dish of the Day	Overnight oats with fruit & berries	Breakfast Rolls	Continental	Bacon or Cheese (vg option) turnovers	Waffles & Pancakes

Lunch

	Monday	Tuesday	Wednesday	Thursday	Friday
Lunch Dish of the Day	Sandwich	Sandwich	Pizza pinwheel	Sandwich	Sandwich

Dinner

	Monday	Tuesday	Wednesday	Thursday	Friday
Main Course	Meatball marinara	Burrito bar	Cowboy casserole	Burger bar	Pasta bar
Side Dishes	Garlic bread, broccoli and peas	Potato wedges, corn on the cob	Jacket potato	Potato wedges, corn on the cob	Garlic bread
Dessert	Dorset apple cake	Chocolate brownie	Sticky toffee pudding	Chocolate fudge cake	Fruit salad

Experience of food this year - Land and Wave take feedback and action well. Both positives and negatives.

We must know of any food requests in advance.

ACTIVITY SAFETY

SAFETY

All Land & Wave instructors...

- Have passed an enhanced DBS check
- Hold National Governing Body qualifications
- Are Safeguarding trained
- Will be in/on the water during water activities
- All safety equipment and clothing is provided
- If the weather is unsafe (high winds or swell), contingency activities take place to ensure maximum safety and enjoyment.

INSURANCE

- Land & Wave holds £10 million public liability insurance
- We hold an AALS License and the Adventure Mark Certificate
- We are accredited by Learning Outside the Classroom (LOTC).

FIRST AID

- All our instructors all hold a Level 3 First Aid qualification.
- They specialise in delivering appropriate first aid in 'adventure' situations to children and adults.
- Land & Wave also provides First Aid training to businesses and schools
- Trip leaders are responsible for the First Aid provision outside of activity sessions.

ANY and ALL medicine (including hay fever and travel sickness) needs to be declared PRIOR to the trip, with a completed medical form.

ALL children will wear life jackets, helmets and wet suits.

All Land and Wave staff are First Aid trained.

GLAMPING FAQs

CAN PARENTS COME AND VISIT?

Due to the Safeguarding protection and procedures, parents are not allowed to come to site unannounced.

WHAT IF MY CHILD DOESN'T WANT TO DO THE ACTIVITY?

During our activities we challenge the students to participate voluntarily, to push their comfort zone and test themselves. No child will be forced to do anything they don't want to do.

WHAT ABOUT DIETARY / MEDICAL / BEHAVIOURAL NEEDS?

We adapt our activities and catering requirements for students.

WHAT ABOUT POCKET MONEY?

There may be the option to buy a few sweets and souvenirs during the week. £10-15 would be more than enough.

WHAT HAPPENS IF THERE IS BAD WEATHER?

We rotate activities to best suit the weather. Activities such as bushcraft are very sheltered in the woods. If the wind or swell is too strong for water sports, these will be switched for something land-based, such as rock climbing.

IS THE CAMPSITE SECURE?

Yes. This is a private campsite for the sole use of Land & Wave guests. It's on a working farm, but the camping fields are tucked away from the hustle and bustle of daily farm life. A duty manager sleeps in camp every night and is on hand should you need anything.

ARE YOU INSURED?

Yes we are insured. We have £10 million public liability insurance. We are accredited by: Institute of Outdoor Learning, National Coasteering Charter, Adventure Activities Licensing Authority, DofE Approved Activity Provider and Learning Outside The Classroom.

GLAMPING FAQs

CAN STUDENTS BRING A MOBILE PHONE OR A TABLET ETC?

We would strongly advise against students bringing any electronic devices. The week away is all about adventure and shared experiences. There are NO lockers or charging facilities on site.

WILL WE BE ABLE TO CONTACT OUR CHILDREN?

In the case of an emergency, call 01929 423031 and we can put you in touch with the trip leader. We and the school will have your contact details should we need to contact you.

WHAT KIT DO STUDENTS NEED TO BRING?

We supply all the equipment you'll be using, you just need to bring clothes, warm sleeping bag, pillow, medication and toiletries. Have a look at the Kit List for everything you need.

WHAT IS THE INSTRUCTOR TO PUPIL RATIO?

There will be at least 1 instructor to every 10 students. Each activity has different ratios

WHAT ARE YOUR SAFEGUARDING POLICIES?

All our instructors are Safeguarding trained and DBS cleared. Our Safeguarding Lead is Sophie Tanner. Please contact us if you have any concerns.

WHAT TIME DO THEY START / FINISH?

Breakfast begins from 07.00, with the students out on activities for around 09.00. Then it's a full day of adventure, with a break for lunch. The evening sessions normally finish at 21.00.

TELL ME ABOUT THE TENTS

Up to 6 children sleep in a 5 metre bell tent. We provide camping mats for children and all tents are single sex. Teacher tents are interspersed in between the kids tents and sleep 2 to a tent. We provide beds for teachers. Teachers and children must all bring a pillow and a warm sleeping bag.

WHAT'S THE TOILET SITUATION?

We have a lovely large toilet block on site. We also provide one or two festival style toilets next to your camp to make those annoying midnight toilet treks a little less annoying.

WHAT HAPPENS IN AN EMERGENCY?

All the Land & Wave instructors are First Aid qualified. Both teachers and Instructors will be on hand to deal with any emergency. Should we need to contact you, we have your contact details.

St Bart's

@stbartsRWB

- Sleeping bag & pillow
- Towel for showering
- Towel for wet activities
- Pyjamas (extra layers for Spring / Autumn trips)

THE RICHARD JONES FOUNDATION

(EST. 1696)

The total cost of the residential is estimated to be £395 which will be dependant on number of children attending.

The Richard Jones Foundation is a charity that supports parents / carer with costing for a variety of reasons. Please come and speak with us for more information regarding this.
