HAF Program

We will be part of the HAF program again this summer, if you are entitled to HAF and you receive a HAF Voucher code, please email us as soon as possible so that we can register you. We will be running the HAF program from Wroughton infant school which is where we run Our after-school club from. So, we will have lots of fun activities set up here, just the same as holiday club from the Ridgeway. We will be running HAF from the infant's school for the following 3 weeks:

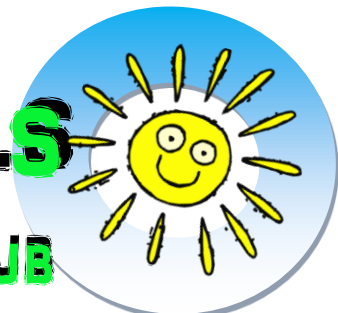

- Monday 29th July – Friday 2nd August
- Monday 13th – Friday 16th August
- Monday 19th – Friday 23rd August

We will be open from 9am – 1pm every day except Wednesdays for HAF at the infants.

How bookings work for Holiday Club:

We work on a first come first serve basis until we are full each day. As part of being year around loyal customers, Our After-School Club parents get

Rascals HOLIDAY CLUB

the first chance to book onto Holiday Club before we send the booking form out to all parents on our mailing list. After School club parents will receive the booking form for the following holiday approaching along with your termly invoice. After we have finished sending all of our invoices out at the beginning of each new school term, we will then send out the booking form to all parents on our mailing list. This will be roughly in the 2nd week of each new term.

We get booked up extremely quickly, some days get booked up within a few hours! So, to avoid missing out on any dates you need, please get your booking forms back asap. You won't, however, be able to book before the booking form is sent to you, we only work a term in advance, so therefore, for example you wouldn't be able to book dates for the summer holidays any earlier than June.

This makes the process fairer and more accurate. We do get over 150 emails come through once the booking forms have been sent, so it can take us some time to make our way through them, reply and book on. If there are dates you have requested that we are fully booked, we will always offer alternative dates that are free at that time; or to be put on the waitlist for that day.

Mobile phones

Please could we remind parents that children should **not bring mobile phones to holiday club**, they will be confiscated and returned at the end of the session if we find children with them. Also, please can we ask parents that when you come into the foyer to drop off the children and again at collection that mobile phones are not being used inside the building. I know our policy is that parents need to wait outside but if for example you needed to pop in to use the toilet, we would ask that mobile phones are not used. Thank you for your cooperation with this.

Goodbyes & Good luck

For any year 6's leaving us after the summer, all the staff at Rascals will miss you and wish you the best of luck at Secondary School. We know you will go on to do great things. You've got this!

Thank you again for your support
All the staff at Rascals ☺
